Dear Sir:

Applicant is submitting four (4) sheets of drawings herewith encompassing Figs. 1 to 7 which correspond to Figs. 1 to 7 as originally filed. In the Notice of Allowability mailed July 3, 2000, the Examiner required correction of the drawings as set forth in the Examiner's Amendment attached to the Notice of Allowability.

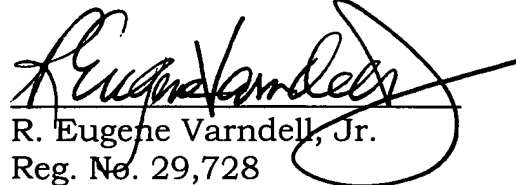

The due date for submission of attached drawings is the same as the due date for payment of the Issue Fee, as set forth in the Notice of Allowance and Issue Fee Due, namely, October 3, 2000.

The attached drawings have been corrected as required in the Examiner's Amendment attached to the Notice of Allowability. The attached Figs. 1 to 7 comply with the USPTO rules, and thus are believed to be proper formal drawings.

Acknowledgement of receipt and approval of the attached drawings are respectfully requested.

In the event that this paper is not timely filed, applicant hereby petitions for an appropriate extension of time. The fee, therefore, as well as any other fees which may become due, may be charged to our Deposit Account No. 22-0256.

Very truly yours,
